*Re: WC Docket No. 04-313, CC Docket No. 01-338; Triennial Review
Remand Proceeding*

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's rules, CompTel/ASCENT ("CompTel") hereby gives notice that on December 8, 2004, its representative, and representatives of the Promoting Active Competition Everywhere ("PACE") Coalition met with Jessica Rosenworcel, Competition and Universal Service Advisor to Commissioner Copps. CompTel and PACE discussed the importance of a reasonable transition period for any UNEs for which the FCC finds that competitors have failed to demonstrate impairment. CompTel also explained that competitors continue to face substantial impairment without access to mass-market switching, dark fiber loops and transport, and unrestricted and non-discriminatory access to DS1 loops, transport, and EELs. Representing PACE were Genevieve Morelli, of Kelley Drye & Warren, and Joseph Gillan. Representing CompTel was the undersigned attorney.

Sincerely,

A handwritten signature in black ink, appearing to read "Jonathan D. Lee". The signature is fluid and cursive.
